

GIVE YOUR **GRADUATING SENIOR** THE SHOUT OUT THEY DESERVE!

We know the entire family has been looking forward to graduation since their child's very first steps. But no one could have predicted that so many class of 2020 celebratory events would be in question. As Southlake's premier lifestyle magazine, we want everyone to **celebrate their graduating seniors.**

Share the love and pride for your senior by taking part in our special Celebrating Seniors profiles in the May edition of *Southlake Style*!
